These documents can be dropped off in the student services office during regular business hours, mailed to 350 Pine Street Cedar Springs MI 49319, by email to doldebekking@ctachargers.org, or fax 616-957-0491.

Admissions Policy:

Open enrollment for the next academic year is always from 7:45am on January 15th until 3:30pm on February 15th. When open enrollment ends, applications are counted. If there are fewer applicants than openings, all students will be accepted. If there are more applicants than openings the Academy will conduct a random selection lottery. The lottery is a random selection to determine who will be accepted and who will be put on waiting lists. The lottery is a public event, but your attendance is not required for acceptance. CTA will notify parents of the results. Applications received after open enrollment are accepted on a first come, first basis for any remaining openings, with preference given to siblings of students already enrolled at CTA. If all the positions are filled when CTA receives the completed enrollment documents, the student will be added to the end of the waiting list for his/her grade.

When your student is accepted:

You will receive an acceptance letter if your child is accepted for enrollment. If CTA has not received all of the enrollment documents listed above, your child may be removed from the Academy's waiting list.

If your student is on the waiting list:

You will be notified by mail or phone if an opening comes available for your student.
